Both versions share the same intricate design, with repeating diamond-shaped motifs arranged symmetrically across the surface. Vertical gold lines add structure, giving the design a classic panelled effect. At the base, a detailed border features interwoven circular and floral patterns, adding a touch of ornamental luxury.

Whether you prefer the dramatic contrast of navy and gold or the gentle sophistication of blush and gold, as a feature wall or throughout a room, this wallpaper brings a sense of richness and refinement, staying true to Collette Dinnigan's signature approach to design.
